### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims 9-15 have been canceled.

2. The following is an examiner's statement of reasons for allowance: the main reason for the allowance of claim 16 is that the prior art fails to disclose the combination of a four-cycle engine mounted in an engine compartment of the vehicle body, the engine having a crankshaft and a cylinder, the crankshaft being oriented along a vehicle body width direction, an axis of the cylinder being tilted rearward with respect to a vertical line of the vehicle body; an oil pan of the four-cycle engine disposed in a vicinity of and adjacent to a lowest portion of the engine compartment; and an oil strainer provided in the oil pan..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
